## **Parlando:**

*Your birth is  
Like an envelope to open gently,  
An invitation card to visit the world,  
A welcome to join in with us and feel at home.*

## **Chorus:**

WELCOME TO YOU!  
WELCOME, DARLING CHILD.  
WELCOME TO YOU,  
WELCOME!

1. To the wind and the weather  
With mountains of ice,  
Forests and heather  
With eagle and mice.

With a promise of tears,  
Happiness and delight,  
Victory over fears,  
And fairies at night.

## **Chorus:**

WELCOME TO YOU!  
WELCOME, DARLING CHILD.  
WELCOME TO YOU,  
WELCOME!

2. Whole generations  
Of Adam and Eve  
Send congratulations,  
Telling you to believe.

Life may seem enigmatic  
With hours too long,  
Some moments ecstatic:  
Then it's time for a song!

## **Chorus:**

WELCOME TO YOU!  
WELCOME, DARLING CHILD.  
WELCOME TO YOU,  
WELCOME!

3. With someone to give you  
Shadow and light.  
May an angel be with you  
And keep your eyes bright.

As you now read your story  
In the letter so fine:  
May your heart feel the glory  
Of our Lord, the Divine.

## **Chorus:**

WELCOME TO YOU!  
WELCOME, DARLING CHILD.  
WELCOME TO YOU,  
WELCOME!

GLORY, GLORY,  
GLORY TO OUR LORD!  
GLORY, GLORY,  
GLORY FOR THIS CHILD!

GLORY – WELCOME!
